The call is on DW quality data from residents' wells at Dimock, PA. We are reviewing data, want to share findings and request ORD assistance on risk evaluation.

Please send best phone number to call you at 9:00 am.

Jeanne Briskin will be on the call, as well as someone (perhaps Eric Burneson) from OGWDW. Please invite others from ORD (and send their phone numbers, if not with you).

Sorry for the abrupt notice and with much appreciation--Vicky
